Dear Mr. and Mrs. Abell:

Thank you for letting me know of your opposition to the procedure commonly known as a partial-birth abortion. I appreciate hearing from you on this important matter.

I, too, believe this procedure should be outlawed, and that is why I voted for H.R. 1833 when it passed the Senate by a vote of 54-44. Please know that I will vote to override the President's veto when this legislation comes back before the Senate.

Once again, thank you for letting me hear from you. I hope you will continue to share your thoughts with me on important issues.

Sincerely,

Joseph R. Biden, Jr.

Dear Mr. and Mrs. Rave:

Thank you very much for writing to urge the adoption of legislation to ban partial-birth abortions. I am glad to have the benefit of your views on this important issue.

As I'm sure you know, I repeatedly voted for the ban on partial-birth abortions and for the override of President Clinton's veto of this legislation. Please know I will continue to work for legislation to ban partial-birth abortions.

Again, thank you for your note. I hope you will continue to let me know of your views on matters that are important to you.

Sincerely,
