STATEMENT OF ADMINISTRATION POLICY

(THIS STATEMENT HAS BEEN COORDINATED BY OMB WITH THE CONCERNED AGENCIES.)

H.R. 2175 - Born-Alive Infants Protection Act of 2002
(Rep. Chabot (R) OH and 105 cosponsors)

The Administration strongly supports enactment of H.R. 2175, a bill that would ensure that infants who are born alive, at any stage of development, are individual human beings who are entitled to the full protections of the law. H.R. 2175, which is similar to laws in a majority of States and the District of Columbia, would provide guaranteed legal protection whether or not the infant's delivery was natural or the result of an abortion.
