## ***Where Do the Candidates Stand on Life?***

### **Mitch McConnell**

### **Alison Lundergan Grimes**

#### **Abortion**

**Mitch McConnell** is pro-life. He opposes abortion on demand, and supports legal protection for unborn children. McConnell has been a key supporter of every major pro-life initiative to come before the U.S. Senate during his tenure.

**Alison Lundergan Grimes** supports a policy of abortion on demand, which allows abortion for any reason.

**Mitch McConnell** co-sponsored the Pain-Capable Unborn Child Protection Act (S.1670), the bill to protect unborn children from abortion after 20 weeks, when they are capable of experiencing excruciating pain during abortions.

**Alison Lundergan Grimes** opposes the bill to protect unborn children from abortion after 20 weeks, when they are capable of experiencing excruciating pain during abortions.

#### **Obamacare Health Care Law**

**Mitch McConnell** voted against enactment of the Obamacare law, and he is committed to help reverse the abortion-expanding and rationing effects of that law.

**Alison Lundergan Grimes** supports Obamacare, which provides government funding for insurance plans that pay for abortion on demand, and will lead to the rationing of lifesaving medical treatments.

#### **Conscience Rights**

**Mitch McConnell** voted against a bill to further empower the Obama Administration to mandate coverage of the abortion pill RU-486, surgical abortion (including late abortions), or anything else it chooses to classify as "preventive services," overriding all existing federal laws that protect religious freedom and conscience rights (S. 2578, 7/16/14, Roll Call No. 228).

**Alison Lundergan Grimes** said the Supreme Court "got it wrong" in its *Hobby Lobby* decision. In that decision, the Court upheld the right of family-owned businesses not to purchase health insurance covering certain drugs and devices that violate their religious and moral beliefs.
