Where Do the Candidates Stand on Life?

Jeff Bell

Cory Booker

Abortion

Jeff Bell is pro-life. He opposes abortion on demand, and supports legal protection for unborn children.

Jeff Bell supports the bill to protect unborn children from abortion after 20 weeks, when they are capable of experiencing excruciating pain during abortions.

Cory Booker supports a policy of abortion on demand, which allows abortion for any reason.

Cory Booker is a co-sponsor of S.1696, a bill that, if enacted, would invalidate nearly all state and federal limits on abortion.

Obamacare Health Care Law

Jeff Bell opposes the Obamacare law, and is committed to help reverse the abortion-expanding and rationing effects of that law.

Cory Booker supports Obamacare, which provides government funding for insurance plans that pay for abortion on demand, and will lead to the rationing of lifesaving medical treatments.

Conscience Rights

Jeff Bell supports an amendment to Obamacare to exempt institutions or individuals from purchasing insurance coverage for services that violate their religious or moral convictions.

Cory Booker voted to further empower the Obama Administration to mandate coverage of the abortion pill RU-486, surgical abortion (including late abortions), or anything else it classifies as "preventive services," overriding all existing federal laws that protect religious freedom and conscience rights (S. 2578, 7/16/14, Roll Call No. 228).
