Where Do the Candidates Stand on Life?

Lindsey Graham

Brad Hutto

Abortion

Lindsey Graham is pro-life. He opposes abortion on demand, and supports legal protection for unborn children.

Brad Hutto supports a policy of abortion on demand, which allows abortion for any reason.

Lindsey Graham is the lead sponsor of the Pain-Capable Unborn Child Protection Act (S.1670), the bill to protect unborn children from abortion after 20 weeks, when they are capable of experiencing excruciating pain during abortions.

Brad Hutto, as state senator, opposed the bill to protect unborn children from abortion after 20 weeks, when they are capable of experiencing excruciating pain during abortions.

Obamacare Health Care Law

Lindsey Graham voted against enactment of the Obamacare law, and he is committed to help reverse the abortion-expanding and rationing effects of that law.

Brad Hutto supports Obamacare, which provides government funding for insurance plans that pay for abortion on demand, and will lead to the rationing of lifesaving medical treatments.

Parental Notice Before Abortion

Lindsey Graham voted for a bill to require an abortionist to notify at least one parent before performing an abortion on a minor girl from another state (09/30/06, Roll Call No. 263).

Brad Hutto opposes requiring parental consent before an abortion is performed on a minor daughter.
