

THE OBAMA ABORTION AGENDA:

targeting unborn children & their mothers

Barack Obama and his allies in the pro-abortion Democratic leadership in Congress are taking aim at unborn children and their mothers with a radical pro-abortion agenda.

- 🎯 *Require taxpayers to fund abortion for any reason*
- 🎯 *Force hospitals and health care professionals to provide abortions*
- 🎯 *Fund organizations that perform and promote abortion*
- 🎯 *Force employer health insurance plans to cover abortion*
- 🎯 *Enact the FOCA* – a bill that would invalidate virtually all state and federal laws limiting abortion, including parental notification laws, and make partial-birth abortion legal again*

**FOCA is the so-called "Freedom of Choice Act"*
