**I Am An American.**

I am endowed by my Creator  
with the inalienable right to life.  
Just like you, and every other American.

You know who I am.

Now that you can see my face,  
will *you* use your voice?

Please tell America,  
I am an American, too.

30 years of denying this self-evident truth is long enough.  
**America, it's time to protect your children again.**
