

# A PETITION TO GOV. CUOMO OF NEW YORK

## AND THE GOVERNORS OF THE UNITED STATES OF AMERICA

Shame on you! You have ushered in an era in the Empire State that will see unrestricted abortion for any reason up until the moment of the birth. Under the so-called "Reproductive Health Act," you have put the lives of New York women in jeopardy by allowing non-physicians to perform abortions. You have opened the door to unrestricted abortions late in pregnancy. And you have removed protections for babies born alive during an abortion, thereby allowing infanticide.

**We the undersigned demand that you and the governors of every state in the Union encourage laws that protect unborn children and their mothers from the tragedy of abortion.** We demand you support life-affirming alternatives to abortion. And we demand enactment of laws that recognize the intrinsic value of each and every human life from the moment of fertilization to natural death.
