

THE PRESIDENTIAL RECORD ON LIFE

President Barack Obama 2009-2017

On January 22, 2011, the 38th anniversary of the Roe v. Wade Supreme Court ruling that legalized abortion on demand, President Obama issued an official statement heralding Roe as an affirmation of “reproductive freedom,” and pledging, “I am committed to protecting this constitutional right.”

- **Supreme Court:** President Obama appointed pro-abortion advocates Sonia Sotomayor (2009) and Elena Kagan (2010) to the U.S. Supreme Court. Both have consistently voted on the pro-abortion side since joining the Supreme Court.
- **Late Abortions:** President Obama threatened to veto the Pain-Capable Unborn Child Protection Act, a bill to protect unborn children from abortion after 20 weeks fetal age, with certain exceptions.
- **Born-Alive Infants:** President Obama threatened to veto the Born-Alive Abortion Survivors Protection Act (H.R. 3504), a bill to require that a baby born alive during an abortion must be afforded “the same degree” of care that would apply “to any other child born alive at the same gestational age,” and to apply federal murder penalties to anyone who performs “an overt act that kills” such a born-alive child. The White House said such a law “would likely have a chilling effect” on provision of “abortion services.” (September 15, 2015)
- **Sex-Selection Abortion:** In May 2012, the White House announced President Obama’s opposition to a bill (H.R. 3541) to prohibit the use of abortion to kill an unborn child simply because the child is not of the sex desired by the parents. The White House said that the government should not “intrude” on “private family matters.”
- **Embryo-Destroying Research:** By executive order, President Obama opened the door to funding of research that requires the killing of human embryos.
- **Funding Abortion Providers:** In January 2016, President Obama vetoed an entire budget reconciliation bill that would have blocked, for one year, most federal funding of Planned Parenthood, the nation’s largest abortion provider.
- **Health Care Law:** In 2010, President Obama narrowly won enactment of a massive health care law (“Obamacare”) that has resulted in federal funding of over 1,000 health plans that pay for elective abortion, and opened the door to large-scale rationing of lifesaving medical care. Obama actively worked with pro-abortion members of Congress to prevent effective pro-life language from becoming part of the final law, and failed to enforce even weak provisions written into the law.
- **Abortion Funding:** The Obama Administration failed to enforce some long-standing laws restricting federal funding of health plans that cover elective abortion, and threatened vetoes of bills that would strengthen safeguards against federal funding of abortion (such as the No Taxpayer Funding for Abortion Act), on grounds that such limitations interfere with “health care choices.”
- **International Abortion Advocacy:** In 2009, President Obama ordered U.S. funding of private organizations that perform and promote abortion overseas. While serving as his Secretary of State, Hillary Clinton told Congress that the Administration would advocate world-wide that “reproductive health includes access to abortion.”
- **Conscience Protection:** The Obama Administration engaged in sustained efforts to force health care providers to provide drugs and procedures to which they have moral objections, and refused to enforce the federal law (Weldon Amendment) that prohibits states from forcing health care providers to participate in providing abortions.
